

October 22, 2010

Ms. Jessica Pettitt
966 Lloyd Street
Eureka, CA 95503

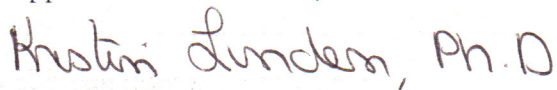

Dear Ms. Pettitt,

I am writing this letter on behalf of the LMU – Student Affairs Wellness Committee to express our appreciation for your presentation on Micro-aggression at our Learn @ Lunch workshop held on October 11, 2010.

As you are aware this presentation was for staff members in the division of Student Affairs who participated for a variety of reasons, interest as well as professional development which is an important element of our twice yearly Learn @ Lunch workshops. The topic of Micro-aggression was of great interest and furthers our understanding of issues related to diversity and social justice. The handouts were particularly informative and the small group discussion was helpful to start the conversation on this important topic.

The feedback on your presentation was positive and respondents indicated that they would invite you again to speak on other topics related to social justice.

In appreciation, we thank you.

Kristin Linden, Ph.D
Chair, Wellness Committee
