Dear Program Coordinator,

An Dochas has played at Walla Walla University for the last few years and will be returning again later this month. They are definitely one of the most popular events run at the University. Their performance is always energetic and fun and no one leaves early.

Two years ago, our Vice President for Academic Affairs sent out an email after attending the concert saying that it was the most fun she'd had in years. Last year, another email went out after the concert, this time from a student. He publicly thanked me and the Student Body Social Vice Presidents for bringing An Dochas back to perform.

Our students find it so easy to stomp their feet, clap their hands, yell and cheer when An Dochas performs. I can't recommend them highly enough. I'm sure you and your program would benefit greatly from the addition of An Dochas.

Sincerely yours,

Don Hepker
