

Hi Lyne, I just wanted to thank you for all of your assistance in bringing Deanna Latson to our campuses for our Healthy Connections events. I know that speaking at three campuses in two days, in Wisconsin, in February can be a daunting task, but Deanna did it with grace and style. Her love of what she does and her passion for educating people is truly inspiring.

The students, faculty and staff loved her alike and I received great feedback regarding her presentation. Some comments include:

"It was very empowering - she is a GREAT speaker."

"...one of the best speakers I've ever had the pleasure of attending their presentation. TRULY inspirational."

"I don't know what to say. I am speechless. It was wonderful."

"It was a good reminder that I am in complete control..."

"She's amazing!"

I am sure that each person that heard Deanna speak was able to take useful information with them. Her personal stories and energetic presentation style captured the audience on all three of our campuses. The positive comments continued for weeks following Deanna's presentation.

So again thank you so much for the coordination. I truly hope it works out to have Deanna as a speaker at Mid-State Technical College again in the near future.

Thanks and take care,
