Lyne,

Deanna Latson's *Eat Right, Look Good, Feel Great!* lecture at UT Tyler drew a lot of interest from the students, faculty and staff alike. Deanna presented the material in an entertaining and educational way that made the students think about their choices and options in a different light. The snacks and giveaways (some provided by the university some provided by her) were a great way to enhance the message as well. This was our first lecture program through Campus Activities and we received very positive feedback from everyone who attended.

Thank you for a great show!
