

Barry Scott

“Barry Scott was incredible and he gave an amazing performance.”

Jessica Macknin

“Phenomenal, amazing, absolutely perfect. It was standing room only and Barry had students lined up to meet him after his performance...he must have stayed an additional hour just answering their questions.” – Kerri Ellington - Franklin College, Franklin, IN

“Barry Scott’s portrayal of King is superb. The resemblance of pitch, cadence, dynamic emphasis and hypnotic delivery is uncanny.” – Arts Review - Mobile, Alabama

“Barry Scott’s performance is a phenomenal experience for anyone. It not only allows you to relive the actual words of Dr. King but also gives you a real understanding of Dr. King’s character. He connects the words to the reality of Dr. King’s life.”

– Juanita Moore - American Jazz Museum, Kansas City, MO
