

Carte Blanche Casino

Carte Blanche Casino specializes in Las Vegas Style Parties for any size event. Our aim is to entertain you and your guests and provide the opportunity to learn more about each of the games while ensuring that you have fun, friendly, professional, and reliable service. Our equipment is some of the best in the industry and our dealers are fun, well trained, professional, and entertaining.

Each Las Vegas style casino party is tailored to your specific needs and priced by size, number of tables, hours included, and number of dealers.
